RESULT OF TENDER INVESTIGATION

Purchaser Marine Technology Sp. z o.o. Acting pursuant to art. 91 par. 1 and Art. 92 par. 1 of the Act of 29 January 2004 Public Procurement Law Notifies the selection of the most advantageous tender in the proceedings conducted under open tender for the award of a public contract ZP4 Supply of components of the hydrographic equipment set - multibeam echo sounder and side scan sonar - stage 2 in the frame of project

“Developing of autonomous/remote operated surface platform dedicated hydrographic measurements on restricted reservoirs” POIR.01.02.00-00-0074/16”.

Informes that in the proceedings in question the offer made by the Contractor was considered the most advantageous tender:

Ping DSP Inc. 10990 Madrona Drive, North Saanich, BC Canada V8L5R7

For a net price of 138,987.68 USD, giving a gross price of 638,806.97 PLN

Justification: The Contractor's tender fulfills all the conditions specified in the Specification of Essential Terms of Contract and contains the lowest price.

Two bids were submitted in this proceeding.

No bidder is subject to exclusion.

No offer has been rejected.

Public procurement contract may be concluded within the deadline specified in Art. 94 par. 1 pt. 2 of the Public Procurement Law, ie not shorter than 5 days from the date of sending this notice about choosing the most advantageous offer to Contractors.

The announcement of the outcome of the tendering procedure was posted on the Marine Technology website, and was sent by email to all bidders on 07/04/2017.
